

## Spring-Summer Adventure Package Week 2021

### Day 1- Saturday

#### **We meet and greet at the Cozy Cabin**

After your arrival at Wilderness Adventure Sweden at the Shovelhead Ranch, there is the welcome by owner Monique Vermeer. She is also your hostess, guide and organizer of this week. We have Fika = (coffee/ tea with home made bakery) in the western style and 150 year old, renovated Cabin.

For the evening, you settle en chill into your cozy holiday apartment (in wildlife theme), where you'll be staying for this week. You may also have rented the Swedish Cottage which is 15 minutes from here. For the activities, the departure is from the ranch.

### Day 2- Sunday

#### **Swedish Breakfast**

A wonderful start of your vacation; our Swedish breakfast.

**Tour;** Monique takes you on a tour around the property, the private water source, wood supply and the Shovelhead Ranch with the horses.

#### **Tip: Västenå Fallet; top location**

In the afternoon you may want to visit this magnificent staircase waterfall on your own. It is a one hour scenic car drive. Once there, you will walk along the waterfall via a system of stairs with the various plateaus and seats. There's also a small museum, artshop and a coffee stuga.

### Day 3- Monday

#### **Hiking the Meåfallet and the Norwegian border stone**

Monique will guide you during this nature walk, along our beautiful and she will explain you the special environment of our river Indalsälven. We have lunch at the 30 meter high waterfall and then we visit the Norwegian border stone that is close.

**Campfire evening** at the western style; "Big Moose Grillhut".

#### **Day 4- Tuesday**

##### **Bear & Wildlife Spotting**

In the Cozy Cabin Monique explains this adventures activity.

A collaboration with Monique and Wildlife Photographer Andreas Göransson, makes this exclusive nature experience possible. You stay an evening and night in the hide-out (observation cabin) with the possibility to spot the Scandinavian brown bear and other wildlife. It's not a safaripark but you are in the middle of nowhere and in the wilderness. Just the two of you are totally private in your own observation hut.

#### **Day 5- Wednesday**

After returning from your wildlife adventure, take time to rest in your own vacation apartment.

##### **Moose Safari Tour in the evening**

Monique takes you moose spotting on a 3-hour car tour in the hills west of your location.

With explanations about this giant of the forest and spotting in open areas. Includes fika at a lake.

#### **Day 6- Thursday**

##### **Canoe trip on the Indalsälven**

Quietly paddle about 12 km downstream and enjoy the peace, clear water and beautiful scenery. Includes a well-stocked picnic basket. When at the final ashore place, you will be picked up and brought back to your car.

#### **Day 7- Friday**

##### **Hiking "Döda Fallet" our National Park**

Literally translated as "The Dead Waterfall". Almost around the corner here is this special National Park where once Sweden's biggest nature disaster (man-made) took place.

Experience the history with a walk through a system of steps through ancient rock and read the explanation of what happened here, via the information boards. (in English, German, Swedish)

##### **Outdoor Cooking at the Big Moose Grillhut.**

Here we prepare and eat together a stew with elk meat from our own hunt. We cook in a Dutch Oven on a tripod, over a wood fire.

Then there is an opportunity for western games like airgun shooting, lassoing and horseshoe throwing.

#### **Day 8- Saturday; farewell and return trip.**
