

Fishing Adventure Week 2023

Day 1- Saturday

Your arrival

Meet your hostess/ organiser Monique with a Swedish fika = coffee/tea and bakery.

Settling into the wildlife theme holiday apartment at the ranch

Day 2- Sunday

There is great pike fishing and other whitefish species. You will fish from a motorboat (2 pers) on our beautiful river Indalsälven. We will take care with all this for you.

You will travel with your own transport.

Day 3-Monday

Fly fishing at a Fiskekamp. You will fish for grayling and trout in the actively flowing Ammerån River. This pristine river originates in Norway and flows into our river Indalsälven half an hour from here. The Ammerån River is famed by fly-fishing enthusiasts in Sweden.

You travel with your own transport.

A fly-fishing course and or fishing with a private guide are possibilities to book and we arrange this for you through the owners of the Fiskekamp. This is at extra costs and we would be happy to give you an offer.

Fly-fishing equipment can be rented on site if needed.

Day 4-Tuesday

Perch and pike fishing on a beautiful lake with a rowing boat

Beautiful location with a drive through the woods and a short walk to it.

You will travel by private transport.

Evening; a Moose safari tour with 4x4 car with Monique as your guide.

Followed by a "drop off" at your fishing location for the next 2 days . 3

Overnight stay in a historical lakeside cabin. Transfers included.

Day 5-Wednesday and Day 6-Thursday

Your 2 day's fishing adventure at the cabin.

Fishing is on 2 noble fish species of our cold waters; the röding (Arctic char) and öring (browntrout). These fish are provided and maintained here by our local fishing association FVO.

Röding (Arctic char) can be caught up to even 5 kilos and more.

You fish from a rowing boat. The location is remote = secluded and you are literally in the wilderness.

The overnight stays are in a historic lakeside stuga. With sleeping places, fully equipped kitchen and outdoor toilet.

Also BBQ place and a sauna available. At the lake is also a covered wind shelter with campfire-grilling area.

Thursday even is the pickup by Monique and return to Wilderness Adventures Sweden where you spend the night.

Day 7-Friday

Fishing along the river Indalsälven.

In the near surroundings of the ranch.

Late afternoon outdoor cooking activity at the cozy western style Big Moose Grillhut. A nice evening as well as looking back at your week adventure experiences.

Joined activity with cooking and eating dinner together. Cooking above open fire in Dutch Ovens, including your own freshly caught fish and moose meat from our own hunt.

Day 8-Saturday Departure

This fishing adventure week includes:

5 nights' accommodation in the atmospheric wildlife themed holiday apartment
2 nights in the historic lakeside stuga
including the boats (petrol),
including fishing permits and 2 x transfer to and from the 2 day's fishing location
evening a guided moose safari tour
diner with outdoor cooking activity and moose meat

If you come with your own transport, there is also the possibility of camping at our mini camping-camper spot. This will reduce this fishing package price

The day 3 with Fly-fishing during this week is an option. If you are not interested in this, we can change it so you will go fishing on another location with regular fishing gear

We can arrange your fishing gear and there's multiple tackleshops in the area.

Interested in this week? Contact Monique for prices and bookings on basis of with how many persons you would like to come.
